

Intuitive Healer and Energy Alchemist on Main Street

Celebrating our Sponsor, Purvi Gandhi, Cold Spring Harbor resident and owner of Blue Water Goddess Energy and Healing

Nestled on the charming stretch of Main Street in Cold Spring Harbor is a tranquil wellness space where healing energy flows — guided by none other than Purvi Gandhi, Reiki Master and intuitive energy healer. A resident herself, Purvi has created a sanctuary dedicated to restoring balance and vitality to body, mind, and spirit.

With a calming presence and an innate gift for energy work, Purvi brings a deeply personal touch to each Reiki session. Her path to healing began early in life, when she discovered she could perceive energy shifts, receive intuitive messages, and even foresee events. Over time, she realized her calling: to help others align with their truest selves through the ancient Japanese practice of Reiki.

Purvi's sessions, offered in-person or virtually, are more than just energy healing—they are guided journeys into self-awareness and empowerment. She weaves in techniques such as breathwork, grounding exercises, mindfulness practices, and even

journaling prompts to promote deep transformation. Clients describe the experience as calming, clarifying, and emotionally rejuvenating.

What sets Purvi apart is her work with children as well as adults. With a nurturing heart and a healer's touch, she creates a safe, playful environment where even the youngest clients can learn how to regulate emotions, build self-awareness, and tap into their natural healing abilities.

In addition to Reiki, Purvi is also a medium who receives messages from the spiritual realm. Many clients seek her intuitive insights for emotional clarity, direction, and connection. Each session is uniquely tailored to the client's needs, whether it's spiritual healing, emotional processing, or grounding in times of transition.

When she's not practicing Reiki in Cold Spring Harbor, Purvi also works as a certified speech-language pathologist with a thriving practice in Oyster Bay—an impressive balance that showcases

her lifelong dedication to healing in all its forms.

Purvi's office is a serene retreat where Cold Spring Harbor residents can find solace, support, and a renewed sense of well-being. Whether you're new to energy work or looking to deepen your spiritual healing journey, a visit with Purvi is sure to leave you feeling lighter, centered, and empowered.
